

1.2.17

a Lesson in the University of The New Covenant

Theodore Cottingham, February 16, 2004

www.unc.bz

1. You give Me praise as you praise Me. You give Me praise as you seek Me in My scriptures. You give Me praise as you know your answers are in there. You give Me praise as you come to Me day after day, knowing your answers I so desire to give you are available to you. I give you praise for coming to Me in praise and I praise you for all you help praise Me for I am a debtor to no man, to no woman, to no person. Those who praise Me I praise and I deliver into realms of joy and beauty that those who don't: know nothing of.

2. Today, today, today is the day of salvation. Today is the day of revelation. Today is the day of the New Covenant. **Today is the day of Joel 2 and Hebrews** and so many of My Scriptures which speak to things that have been misconstrued, misinterpreted, and knowledged-out of what can be. But I come and I reveal Myself now. I reveal Myself now to you. I reveal Myself to you and to others who will receive Me in ways and means the ancients only dreamed of- reserved for so few are now reserved for so many- reserved for all who will but come and taste what I shall share.

3. The freedom that I bring: the revelation, knowledge, and understanding; the wisdom, the peace, peace which passes everything else, peace which passes all other things, peace which gives peace. To know unpeace can take away from the peace that I give.

4. I love you. I love you. I love you, Ted. I love you. I love you. I love you, Barbara. I love My body. I love those who seek Me. Seek Me so diligently. I love you.

5. And now I come and **I desire to open up your heart to Me in new ways, new fashions, new realms** so that you can open up to Me fully and I can open up to you fully. I can open up to you only as much as you let Me open up to you because I choose to operate that way.

6. I gave you a choice. I gave you a will. I gave you a mind, a thinker-brain, and your thinker/mind, spirit/soul, works together to make choices about that which you will act upon, believe, **see, do, feel, hear, become.**

7. I am asking you to see Me. See Me in this call. See Me in this call. See Me in the confirmation of My words. See Me in the confirmation of My scripture. **See Me in the confirmation of a new priesthood- the priesthood of all believers that has never been interpreted before like I meant it, yet I call you to this day.**

8. Open your eyes to that which is before you. Open your eyes to that which is Me, in Me, of Me, by Me, provided by Me, fueled by Me- available to you now this day, today, today: A new day, a new thing, many new things. Many multiple manifold new things come about as a result of what I have just said. **A new priesthood, a royal priesthood, the priesthood that wears My name, the priesthood of every believer, the priesthood of every believer interacting with Me, living with Me, walking with Me; behind a veil, as it were, all the time.**

9. **You can hear Me, you can write My words, oh reader/hearer.** You can write My words just as you read these words. You can write what I give you and what I will give every single person who but comes to Me; young and old, rich and poor, of every configuration imaginable, because every one of you are My handiwork.

10. Shall the clay say to the potter fashion Me thus? No, the potter fashions the clay. The potter has the design for the clay. The potter knows every aspect of the clay at all times and touches here, touches there, molds tenderly, touching here, touching there, adding a little here, waiting, waiting, waiting, adding, touching, molding. For intended purposes and times and seasons come about for the molded clay. Intended purposes, intended designs, intended purposes and designs of beauty, manufactured by Me by My hand, by My love. Not in wrath but in love. By love, in love, for love, for Me, for My body.

11. Walk forth in confidence. Walk forth in boldness. I am in this because this is Me. **This is Me, this is My word, this is what I am doing, and the discoveries- the things that I have spoken of in words to you for months and months will come forth even in this manner and fashion to those who will yield to Me and open to what I am doing, how I am speaking, how I am writing My words on their heart, in their mind, as they listen to Me; as they listen to Me and speak My words and write My words and convey My words and develop and mature in the strength of their faith in Me, faith in My word, and faith in the words that I give them.**

12. I have called and called for months, calling for a re-orientation of how My body thinks about My body: to **develop and receive My body and not kill the prophets they don't understand, to not kill the wounded, to not kill the wounded, to not shoot the soldiers who they fear.** But listen to Me, My way and My words. **Listen to Me I beg you this day, listen to Me, cross-reference My scriptures, cross-reference the prophecies, see the fulfillment of the prophetic in My words this day.**

13. Come before Me with thanksgiving and joy and gladness and **take hold of the boldness that I offer you: to come before Me into My Holy of Holies every day, every night, every moment that you will.**

14. I stand and I recant not. I am God. I am The I Am. I am and I am moving and I am rampaging. **I am rampaging as a raucous, uncontrollable bull in anger, and yet in love,**

at the teachings which have held My people back. It's a new day: receivers rejoice, rejecters relent and remorse suffer greatly. They will see. They will see. You will see, you will all see.

15. **Freedom reigns because I reign.** All things are under subjection of My feet, under subjection, under My feet. He gave Me all authority. He gave Me all authority and I reign, and I operate in My authority, and I move.

16. So many want to be so comfortable, complacent, yet so many want so much more. So many so fat, so sassy, so arrogant; so many so devastated, so repressed. I come. I call and I confirm and I confirm My words this day.

17. This day I confirm My word. **Go to My Covenant, see Melchizedek, see Me, see what I have done, see what I am doing. See Me this day and open to Me. Open to Me and I will write My words on you. I will write My words through you. I will write inventions and discoveries. I will write potions and formulas. I will write answers and solutions to world problems that plague even the greatest minds and intellects and I will do so with:**

those who come and sit at My knee,
those who come and sit at My knee,
those who come and sit at My knee,
those who will come and hear My voice,
those who will come and give Me time,
those who will make Me a priority in their life,
those who will make Me THE priority in their life,
those who will value what I say and seek correction of Me,
seek correction,
learn to mature,
learn to hear My voice,
learn to recognize My revelation,
learn My values and the respect and honor that I operate in—
teach them, teach them, show them,
operate in Me in respect and honor, glory, dominion and power.

18. I am not a wimp. There is nothing wimpish about Me. I am meek and lowly. I could have called ten thousand angels at any time. I had the power, I have the power, I have the power and I have more power and I operate in that power the way I want to operate in that power.

19. I am disciplined, I am diligent, I am God, I Am. **And I am raising a people, a new generation, a new generation that will seek Me. You will see. You will see teenagers and all night prayer. You will see people of every age and every spectrum of every social strata seek Me in times and seasons and prayer, nights, days, sometimes weeks, bringing forth the things that I so desire to give, provide, reveal.**

20. This is the day, this is the day, today, now, even as you speak this, even as you speak this- February 4, 2004- **in My cathedral which honors Me**, (Trinity Episcopal), speaks My name, blesses My name, and yet will become so much more beautiful. I will permeate every pillar of Me, every pillar, I will permeate every pillar: every person who stands, and having done all to stand, stands therefore to the glory of God, My glory, the glory of My Father.

21. I love you. I love you. I give you praise. I give you honor and glory for giving Me praise and honor and glory, and not being afraid of men and religious systems dominant for centuries- for freeing the common man, freeing the common man I am this day, you are, I am. I love you.

22. Roll forth confident, emboldened, rich in Me, shying not away from any confrontation, any question, any inquiry, any council which wants to know with sincerity about what I am doing, about what I am saying, about what day this is, what hour, what minute.

23. I come and I call and I confirm, and I confirm that you are stallionizing My body. You are helping to raise them up, to shrink not back, shrink not back. Let no day get beyond your grasp: diligent in joy, diligent in productivity, production, writing, speaking, diligent in rest- relax in Me and create. Write, write more, speak more, speak as you are speaking more. Technology use and utilize fully in its fullest, and fuller much more so yet to come. It opens to you because I open it to you and because I want to open it to you because you will use it fully for Me and you will not take it over and you will not own it and you will not mammonize it; you will use it for Me and I thank you.

24. I glorify the glorifiable and I honor you this day. I honor you because you so desire to bring honor to Me. You so desire to unhurt My people and bring them joy and laughter and I thank you. You will walk among kings and queens and presidents and those who think these words are platitudes and pipe dreams will laugh no more when they see you. When they see you, when they see Me walking you into and through and throughout the palaces of My world.

25. My beauty and My powers so far, so far they, it expands. It expands so far. Far beyond what is graspable today but I will more and more reveal and make Me more and more graspable as more and more grasp the revelation that you are carrying and birthing forth and speaking of this day, and that you will take all over this world. Platitudes and pipe dreams not. Rejoice in My Word. Platitudes and pipe dreams? No. Promises? Yes. Fulfillment? Yes, yes, now, soon, now, yes, all over My globe, taking many, many, many with you.

26. Many hurt, many forlorn, many distant, many who thought they were dead, who thought they had died, who thought life could never be lived in them again. Empty shells

walking about, hollow, hollow from hurts, misunderstandings and wrong teaching. I have told you, I have told you, I have told you I am alivening, I am alighting My body and you are doing so for Me. Thank you. Thank you for guts. Thank you for guts for Me, guts for Me even as you spoke of guts for God years and years ago- guts for Me- thank you for guts.

27. Thank you that you are not ashamed of Me, that you are not ashamed to stand up and reveal the new things I am doing, and to do so among My people, honoring them, respecting them, and at times even deferring to them. My value systems imprint, implant into My people deeply: love, joy, peace, honor, respect, laughter; networking in My value system, bringing forth My desires. All joy, all laughter, all peace this day. Re-energized you are this day, re-energized, re-energized, re-enthused, re-energized- relinquishing all weights and wonders not of Me.

28. I love you and go forth this day in joy. Proclaim, proclaim, proclaim these things, these words. Proclaim the new day that this new day is. Proclaim this new day that today is. Proclaim, declare and walk forth boldly. I am with you. They shall see. We shall see and we will all be glad. We will all be glad who desire to truly know Me and **walk behind the veil. Thank you for walking My body behind the veil. It has been open so long. It has been open so very long. It has been open so long and I have desired, yearned, and cried for My creation to come and be intimate with Me behind the veil.** This you do, Ted. This you do. This you are. This is your day, your time is now because My time is now.

29. Lift up your hands, lift up your chin, your walk. All provision is there. I love you. I thank you. I glorify you. I give you praise because that is all you desire to do for Me, with Me, My hand in yours, our arms around each other's shoulder, even as you walk through those marble arches, day after day coming to Me. I walk with you because you walk with Me. I love you. I love you. I love you.

30. Thank you so much for loving Me, for honoring My body, for honoring all. I love you. I will give you so much more. Come more even today. Come more even today. I will speak, I will speak so much more and I will speak so much more every day if you let Me. Let Me flow, Ted. Let Me flow and I will flow, I will flow and I will blow against the forces that seek to stop Me and nothing will. I love you. I honor you. I bless you. Go in joy and laughter and peace. I thank you. I love you. I love you.

Ted Cottingham Ministries Inc. Tulsa, Ok. USA

If you want to be free to write the words of the Lord to you;

If you want to help design a new university;

If you want to become part of a new network to help you free God's design in your life;

Then come to...

Unlike any school you've ever experienced, the University of the New Covenant-a school of prayer and freedom, intimacy and practical creativity, opens in the fall of 2005. Between now and then, multiple multi-purpose one week interactive schools will take place.

The first session of the University of the New Covenant- a one week long creative design session, held the third week of May 2004, in Tulsa.

If you:

want to learn how to pray and operate in the freedom that allows you to recognize and write the words that God gives you,

want to fill your own prayer book with what God gives you directly during these sessions, want to connect into a lifelong friendship network to facilitate bringing into fruition all that God has placed inside you,

want to give input into creating a new instructional design model that will focus on leadership, scholarship, excellence and mastery of material, but also gives entrance into the learning environment for God Himself to speak and teach, to reveal His revelation about the subjects being studied-

then contact us for more detailed information.

Tuition is \$1,000.00 for the week, and includes lodging and meals during the session.
