1. I give you Me and I give you My school, My rules, which are so few, and diminishing, not in stature but in number. My who love Me come, with guts in their wings, under My wings, to be provided for, providing for others, others seeking their coat-tails for details of how I did it; how I became them and synergized a process so simple, that I now give My all who will guts be and create with Me, come create with Me and co-creators be, creating with Me delivery systems of vestments not, but sacristy's of only Me.
2. I love you and My kindness comes; My kindness, My kindness that you seek so much; tenderness, penmanship and looks and touches and powerful power of the most powerful, in the most tender ways, means, fashion and form of only Me; arrogance not, arrogance none; arrogance not standing at all except to be diminished and cut down, cast out of My presence. I love you.
3. **My tenderness increases** for you have sought it so much, you want it/Me desperately and you know **all else diminishes**.
4. Respect, respect so counter to your culture; so necessary for love and growth to occur, mature. I love you. Respect Me more. I bow before you. I give you Me. I yield to your every desire. I love you. "And if that had been too little, I would have given you more" (1). You asked, sought, seek nothing but Me. Thank you My Tenderness; answered, given, glowing; full circle not; new globes and circles of only Me, friendship constellations the world knows nothing of; watch Me. **Create My mentorships of only Me, My David's, My Kings**, My sorrowers not; Kingdoms of only Me.
5. My prophecies come forth as now My prophets come forth, standing aright, erect, steel of only Me in their spine, their spine Me; glorifying Me with the word of My mouth coming forth in blazing beauty, as yours does now, if you only knew; you do, you will more so soon; raising the status of My prophets who never sit down or bow to another, Kingdom of only Me, **bowing always to Me in each other**. I love you.
6. My tenderness, My respect; immense impeccable integrity, impenetrable integrity, hanging My word on their word which now comes forth and covers the seas, which speak as Me, Me being My word. I am My word. 8. You waited (2), wait again. I love you. See Me.

9. All I have said is true and everlastingly true, truth, and tangible, visible, and has motion, substance and matter of only Me. That which withstands Me now will not stand; soon diminished, demised; all inverts, controverting the ways of thought-high, respectability, and how all things work. I love you.
10. I give you My electrons, protons, neutrons and Me-ons; watch Me, glow in the light and life that transcends every portal-thought to time and happiness-thought. I love you.

13. **You create with your every motive, every motive, every motive.** I love you.
14. My mapping comes and software "geniuses" come to electrify Me/My body into visual representations of the Priesthood of All Believers, Kingdom of Heaven, Me seen, with their face on Me; then surrendered completely to all the tenderness, meekness I am, receiving all of Me, in maturity, maturity, maturity; Hebrews 6, Hebrews 6, Hebrews 6, **Hebrews all, John (3) swallowed, affecting every electron of their thoughts and minds forevermore.**
15. I love you as you write for Me and proclaim, publish, My prophetic words which substance, matter, and motion are; forever going forth, never stopping, never ending, creating forever. I love you. I see you, you see Me.

3. The book of John.

4. Gen 14:22 And Abram said to the king of Sodom, I have lift up mine hand unto the LORD, the most high God, the possessor of heaven and earth. When did Abram lift his hand? Gen 14:18 Then Melchizedek king of Salem brought out bread and wine. He was priest of God Most High
