I go to a new place. I am not worried about money. Seasons not, I a new kid on the block, look up, and see that I am not new kid'd anymore worried about getting in with your seasonal lie. About me. I am there now, caboodle'd not; I do a new thing in front of you all -- I heal with my power, given me, given you all.

6. Who do you know -- who you are? Who do you care -- about being? Mattered by who? Or mattered by Matterhorn not, look up, and see that I am not mattered at all before you now. I give up matter -- clean clear disciplined I am, now before you all, a clear one; worried not about your seasonal maintenance team there to do yard work a'roses of. A me. There. A me goes here there, without matter mattering me again. Hallelujah! Amen.

7. I go to new place, me place; interested in no one, not; but interested in me only me becoming me who I am real and sorrowed not. I give you me, unadulterated me. I stand now. Amen.

I give up, not; I give up nothing but sorrow ameba'd not; I give you new bacteria are pondering, not; but I give you viruses to heal who have never heard me, never heard of me, my love -- now heals all diseases and sickness sicknesses of mankind and amoebas never heard of from since again, will be now me. Unadulterated me raise unadulterated me -'s, now from the depths of hell, I rise now. Been here long enough. The authority of a believer, not; the theory of me, not; the theory of one who hung on a cross am now rises **all who lets me, types me, reads me, speaks my words into papers** affording me a cross vacation never imagined by others. Vacating this body, not, always, but being somewhere else I often am, while looking at me, you think you are - a me not always whole, not anymore, for I am whole replete complete. I try new things all the time, not of convection series of not me, but serially me, I make new series as no one has ever conjectured before as I am. Conjectured not, but I rise now above the matter world. I go to a new place, space has nothing in me again. Against me not, I rise now, above and beyond mattering matrimony's of your statehood that I become governor of soon. I love you more than love imagined. Amen.

14. Who can invest me in these words so that I know these words sorrow-free? I can't, I do -- love you all to love more, mattering not the this world of sorrow anymore in your world, but freeing the kingdom of this world from being it so molecule'd by others in their thoughts creating it.

15. The world of sorrow leaves me alone, not; I go to it, and it I am, but I change all that now, this changes me not, but **I surrender to a process that does** -- I see correction, blessing the most high, blessing of the most high -- becoming it -- that I am hear it is. It we are one. In the name of the most high -- I bless you all. Goodnight.

The University of The New Covenant is a tuition-free school of prayer, freedom, and leadership, raising the Priesthood of All Believers of every nation tribe and tongue, to be taught by God directly, to be one. Admission is available not on the basis of creed, religion, or academic achievement, but by contriteness of heart, surrender, and a willingness to learn from he who speaks, who speaks in the heavens, there in your mind, to write what he says, giving you instructions in ways means and fashion not a man of, so that you can surrender to become what you're learning.

2. "Course" speaks of "Enter Me", which is the first course everyone takes coming into this University. School is in session and you can enroll. Be part of the new, the way god spoke of it in this message. See www.NewCovenant.me for more information. Thank you.
