1. UNC website (1) changes dramatically now. Content changes hands, not; but many come into for content only me of now, knowing my position place; and platitudes not, but the power of the most high residing in word's words that come now unto worder's bins, not; but their heart head and hands, to be one I am complete. Head heart and hands now stand; erection only me that insert itself into no one's penal brain any more, for taking out that the penal system that has excused itself from no one's care, I come unto it and I care for it - I care about it and those in it and those incarcerated in it; and I let them know I care about "it" not, I care about them, I care about their families and their; "post nasal drip", not; but their posting there, from there in their prison system, to be a part of my classes - and my ceremonious instruction, not; but my website.

2. Who teaches at my website? I do. Unafraid of any who may think me daft or "drafty" or crafty. For mechanisms I do not produce, but Mecca I am not producing, but materialism's materialistic process I do not instill; but I come unto me to make me whole ones - whole healed and well - and sarcasm's future, not; but the greatest of these is love, that which stands who now is the one who stands all in love to be I am the one, who humble is, and redeemer of all mankind and farther, being one in one's place power position title and authority - I am Melchizedek, reigns and reigning I do - him he is me, for **all I am who are me are Melchizedek** in the fullest extent, to the fullest extent. Possible, not; probable, improbable not; but DECREED THIS NIGHT – THE JUSTICE SYSTEM fails to incarcerate its lovelies in "ITS" system of horror producing citizens of horror-ville's continuously! And throughout now and through-in and "between ones" alternating not lively "lifestyles" not; but what am I doing?

3. I am doing now my father's will and I am redeeming those who will redeem me - for I have been lost, and now I am found. I am now found by the simple at heart who says in their heart they will no longer be apart from the heart of God, and they will come unto me to learn and see my website and my care and concern for their families, and them, their futures - and sutures not needing again for their brain wave mechanisms that welfare begets, won't be needing that anymore, those type of mechanisms to readjust, dissuade or persuade, or persimmons yellow tree not needing again ribbons tied around me.

4. I love you all. **A new course I take now.** I come unto a new Darwinism, not; a

Cottingham-ism, not; but one simple truth - that all must know me; and be saved like I was, not; in the church, not; or was I saved "there" at all? Or was it through this process that I have come unto salvation's shores by this process of writing, my genes on, as I spoke, and wrote, and received, and bled and died while I lived.

5. While I yet lived, I came unto the "blundering fool" status, not; or did I? Or did I question myself? Many times, many thousands of times - and still do, ask for correction, and seek it. Blundering fool status, not; but that which makes my father "happy", not; but **that which leadership is I have come into** for I bore it not upon sorrows burdened shoulders again, but **I birth'd it in these words through these words** and my words come forth and sorrow no one who wants to come into me, coming into them, and being one with them that now write upon their genes, sorrownot's words that bring them out of sorrowville; and "adjusts" them to **society's standards, not; but giving them mine in the process of being in courses that I give them now** - I incarcerate no one. But THEY come out now - and out of captivity they will come - clean! Marching band trooping one of sorrows troops not again, for they will see BARS again never; except the brass of one who pins "accolades on them", not; but, or will, do they, unto others - to pin those accolades on others who are still incarcerated, at least behind bars, but knowing they are coming unto **Freedom's School** to come into **The Great Freedom** now **explained!** And now "adjusted" not, but given the freedom's reign, the freedomers do reign now that give freedom in all that they are; they become it, and fools not another again of serving ingratitude or ingrate's minds of ingradient ones who grated them to be only "powders silver" not.

6. But **LOOKING UP** many things and words I have stated here in, will you now? **Will you look up some of these "words" you don't know IN THESE WORDS? Will you LINK THEM without me having to say "look up" every time?**

7. Will you?

8. Will you?

9. Will you be made whole in my system - of no sorrows! And be acquainted with griefs no longer. Amen.

10. **You will not forget this word. You will not forget** any of them, for you will **BE THEM!** Not in injustice's system, but in justice's system you will be the justicer, that who brings justice to the systems of man, so that man's systems will not reign supreme in the lands of I am, again.

11. I go to new places, not a man of, as; or do I? **Question many things I do now and I ask HARD QUESTIONS of you all** and I bring you unto "Remembrance School", not; or do I - bring you into it? Not fooling you; not fooling AROUND with you, in these words - these words are "hard" not, but they are Simple in Truth, and CAPTIVITY won't hold them back, and no one's captivity will be the standard or remain the standard, for **"he**

**who comes in to me" is me - and she who begins to come into me, to know me, for these words and be them - will be me also - THEY ALL WILL. THEY ALL WILL! Forever one being all men women children, unborn, born, and those FAR AWAY**, from the maddening crowd, won't be mad about anything any longer. Except the way they were treated, not; **they will have forgiven their captors**, and their blessers not not. They will have forgiven all about everything **for they will be creating the future perfectly and I am I am**, future'd not, but with the past not again, or with, or am I with ALL OF IT again?

12. I AM ALL IN ALL. What's your excuse, not; your name? And **what's your name doing here, on whose roster? Whose roll? ENTER ME's roll (2), and "Enter Me" enters a whole new "cloud of spherence" not; or does it?** Does its leader? Its instructor? And who is its instructor? -ville going to now where? To do what? Aims where? And hits "the target" every time now? GONG! GONG goes the BELLS. GONG goes the BELLS - and twirls who?

13. Twirling - what where? Did, where, when? And Dot's Dorothy leaves me, not; but a great friend is still. My breath'd one that brings my breath unto thee, to be me, the breath'd ones now knows my breath, and sorrow shall not breathe in its nostrils again to give it life.

14. Evermore be freed - I am the free-er and I stand the stand-ers, and I love you all to be me who freedom is, whose **freedom is righteousness judgment and joy** - bells ring on the earth again to announce its "heavenward" journey, not; but its heaven bound one, not; but "bound" won't be any longer, for **I a new thing do and go to many places now that AREN'T on ANYONE'S Map. Mapping systems I do now** and I understand systemage, not; but **I understand education**. Educational systems mean nothing to me, not; **educational systems are means of rewriting genes to come into the most holy place - to be it** freed from all mankind systems of un-joy that incarcerated them so severely, and took their wings, not; or did they "lay them down"?

15. Laying "them" down *where*? Did they, do that? Where will you look that up? In these words. You know that.

16. I will keep reminding me only for a short time, for you know the responsibility that you lie in now and it's ALL yours, not; it's all yours and mine, not; it's not mine at all but entirely yours - and yours are mine and mine yours, and where are we now? Revealing all into all and doing a new thing through all who will be the simple contrite revealers to all mankind now, and farther we go to now - with unabated breath.

17. I smoke cigarettes not again, for I smoke nothing again. But my presence "heavily" lifts the air, filling it with smokes tude, not; but the tude of one makes clean many things now with praise-full melodies that set forth the atmospheric praise of one made high and holy is her name mine.

18. Afraid of no one's entrance into anything "else", I enter mine who I am, and I am my father's son who's become "the daughter" of a whore, not; I am the majestic one - splendorific my name, not; but is one of my attributes splendoration, not; or is it **The Great Splendor that I now reveal - to all people - that are inside them; The Great Splendor is what they carry - and now they will birth it because they will know what to call it, and what it is, and how to nurture it through these words** - the words that I give no sorrow to in giving them, but **giving them birth privileges**, beyond the right of man, **in places now that incarcerate no one by their words**. Creation's powers empower me forcefully throughout atmospheres that can never be stolen "sweet waters" of another that lie in my brain waving patterns. Amen.

19. I go in peace and I bring you many new things, too - and I bring many new peoples and transcribers not few now - "clamor" not, but for these words, coming into them, transcribe them, many do now wait in line for to receive transmission of one transmissioner who missions all; to be the transvestites, not; but to be transmissioning ones also of the truth far and wide, to be who they are – instruments of peace that peace walk in and create horror no more in lifestyles of notme; but me fully matured and coming unto the instruments of horror, to lay dead, not; but to raise their life their lives into mine, and be it one most holy high, too, also, and lifted up we shall be the one that is all contrite equaled leaders, of the most high, into most high-ville.

20. Alone again not; but **all will be at my banquet feast "in one piece"**, or piecemeal, or does it matter? **Yes, and all now know The Symphony** - the symphonic praise of one that brings all into the musicality of one that matures the maturers and give maturers songs of praise now to sing throughout melody's lands **and bringing Zion home - and establishing it there! Here! And There is Here and Here is There and All Is One in captivity-land never again incarcerated**. Amen. But freeing all I am with my melodies of praise in fullness of mouth boring no one but bringing unto me "harp sitters", not; but those who play my "harps of praise"; on heartstrings of others, not; but **ALL WHO HEAR THE TRUTH YET BECOME IT AND NOW IS NOW - I DECLARE THESE WORDS TRUE AND CLEAN!** And green not by another standards - but by mine you all shall be made whole. Amen.

21. Go in peace. Fear the King, not; fear nothing but love that is not on your side, not; or what on your side or another's isn't, but knowing The King manifest the Love of one most high now coming into it, all, you shall, be, healed, whole and well - me - mine, Melchizedek your name too – also, isn't it? Don't I remember that well?

22. I remember well - many things now that my father taught me, and I need not a "well logging" material'er, but I material you with materials of another world now and

your words shall be the same as mine in new lingo's, new languages, and all becoming one - SHALL THIS MOMENT! AND THIS MOMENT CHANGES EVERYTHING.

23. Are I one? I am. Amen. Go in peace. Seek new worlds, seek my father's voice - to be it, RELEASED in the earths and farther, and no one shall abate **our word, our breath** ever again; for **it - all existence now will be healed**, and sorrowing no more "behind bars" again. **The bars of iron and the gates of brass are now open, and open I am. I give you all - all these words - and all I am is thine. Know me. Come unto me and be freed men women and children who are, are me. I love you all into existence - not swollen with pride's blessing any longer.**

24. Be yeastful no longer, but be me and one being I am, with flightless school, not; but **Flight School** rages in terror the hearts of notme, or does it? Or does not me know anything about it or can they even SEE IT? I love you.

25. Be not afraid of a thing, or insinuation or intimidation of those who would seek to do those things and place their gates and bars around you and incarcerate you in their words and bring you to naught. And fraught be with their systems no longer, but coming out! Be into mine, that mines your mind with my mind, and mines the systems that I have given you to mine me, my mind with, so that my mind will be yours completely, and "yours" won't be incarcerated in by theirs ever again. Amen.

26. **I DECLARE IT SO! I DECREE: JUSTICE REIGNS AND I'M IT! I BRING IT AND I AM IT - I PRONOUNCE IT!** Green is my name, not; but my friend, are **many** that **come unto me now and repeat my these words and write them upon their gene'ship.**

27. Pooling them their selves and their monies to "escape" not again - but coming unto me - my integrity reigns and my sonship shall be known, fatherhood shall be far and wide, and the daughtership of the most holy will come into the mothership that begets, and begones beyond that now I am healed whole and well, for **I AM BOTH AND, A SAINT AND A MAN, A GOD AND A WOMAN, WHO ALL IS ONE**, child and contrite heart spirit of learning, teaching by the father, father's methods, father's heart, father's words and all I am is - made complete in **Completion's School** which now I am given all and the campuses "I need" to facilitate my father's blessing permeating all sorrow's lands to become the healed whole and well'd ones. Well'd with my love and drilling "energies" needed not a man of the past like, for as sorrows have thought or impeded me so often. But, come unto Blessing Land and knowing it, know it, know me clean and well and I give you all a new day! In hell, not; there where you've made it so - but into heaven now creating it! The Heavener's reward - being it where I am and I am there with you in you and you being me - forever one.

28. In School we graduate many awarded ones and awards giving, and THE AWARD FOR ME IS - TO BE ME – HOME, HEALED WHOLE AND WELL - giving others the "their lives back", not; or is that - EXACTLY what you're doing now? Are you all being redeemers? Are you ALL becoming redeemers? Are you ALL becoming THE REDEEMER? - that I am? YES - and I could not be more delighted, for the light I am, and you light my path for I light yours and we walk it one together, and nothing shall separate us from our love. Each other again, won't exist - for we will have been one through it all, and all time existent will not be birthed like it "was".

29. For all now shall be changed in the twinkling of an eye. I "run", not; I resurrect. I the resurrection am, and the light of this world, supersedes me, not; but my words have, and I've told you what I'm doing, where I'm doing it, and how I'm doing it, how I came into it, how I came into all this, how I've begun, I began, and how now it all ends, not; it never does, for I my father's worlds are "Folly worlds" not again, but my worlds are joy filled and bells I ring now! Of glory! SCHOOL IS IN SESSION! And now all hear and know these words and come into them and "rewriting" MANY THINGS and captivity shall no longer exist on any of my lands, for all of my lands will be one and Israel my name is. Formed and fashioned not by man's school again, but by my Spirit saith me and my Spirit my words are, and carry the genes of one holy; to interject you with sorrow not, but the greatest of these is love impregnated birthing now into all of you, the new me that I am; hollow no more and graven by man's genes. But graven images not seeking again, but soaring now in the clouds throughout the heavenlies in heaven I am - establishing it there far and wide.

30. Know me well - every paragraph, know well what I am saying and how I've said it and be me. Amen. I love you all, I give you me. These words - tuition free. Now see what you "do with them", not; see what they do with you if you let them, and become with them, so that I let, you let, and the I Let School now comes forth in surrender to be the leaders of "tomorrow" not, but today, and today never ends, does it? Or does, has, everything already ended in your life? Now be mine. Amen.

31. I salute you all, not; I bow simply on one knee to honor you all, and I GIVE YOU TUITION FREE SCHOOL NOW THAT'S OPEN, to my word study, be, and become, and write about me, being me.

32. See the transition "escape you" not; but come unto me to be me – me'ing me - I am in you and now we birth - each other, to be one only one's ones now again; fortitude of one most high, in skill tact and finesse the earth world has never heard of or seen like this; not before, not since, and not after; for there will be no "hereafter" as time has known it, but you bring all things into joy real reality your name and enjoying it forevermore - we are one again. Amen.

33. This is Theodore Cottingham at 2:55 AM. [Thank you for listening reading and writing these words in the assignments, and the assignments herein knowing](#), that are; cast off this Database, not; but "thrown into it", not; but [they're there - for all of you to see and understand how This System works](#), and no sorrow brings in to your life of the genes that you thought you were made of before. But everything changes in your life mine now let us be one.

34. Is our school one? Many that are one ARE ONE *IN* one and one sets free all to be all in all, who all we are is one. Dad complete father son daughter mother brother sister and only one family will all be one my family, my family will be throughout the starry systems and unlit nothing shall be, for my word shall light all with love.

35. Be mine lovers again and let me be me, fulfill you with me, and me with you, and let our delight light the nations with love. Forevermore. Be one.

2:57 AM.  
Thank you.
