1. I love you. I give you me unto a new day now see. Now seeing you do and you will ever so shortly, and you will be "the short one" not, but you are the short bowlegged one, not; but I bring you many to heal, maladiious diseases have had, them crutched beneath their legs, not; but beneath their dignity, not; but they won't mind washing in the "Jordan seven times" but won't need to, or will "all that" be over?
2. For I bring unto you a new day New School that now brings forth, the elements, not; but "fervently heating" them, not; or do ALL THINGS get REAL HOT real SUDDENLY now? They do not, not -- and WHAT is being FORMED, out of all this? The new creations, New Creations School going to and forming now new creations, new planets, new peoples. Amen. I Am. Amen.
3. I love you all to know these things and understand how I do them, for I do them THROUGH SURRENDER, through being AT Surrender School, I have come through it and left it, not; I have become it, and I am not separate from it. For it is me I am and I am the New Creations School within me and I bring it forth, birth it forth, for I go to new things that I create, new peoples that I call forth and create within my words I do many things that heal many; and devastate not far and wide, but devastation I bring to the would-be controllers who seek only to control in their "stiff-necked" regimes. [Look up](#). And see what I am doing NOW! For I am doing A New Thing.
4. School now that comes forth is limitless and in me limitless I am, for I am the surrendered who have, sold their soul to the devil no longer creating it around them and being "entertained" to death and death being its "entertainment" guide and source of horror-confusion and its confusion of horror villes making around itself that spin itself into dizzying land -'s promises, not; or does it exactly, giving them hell -acious behaviors that they have seen so much and adopted into their "lifestyles"?
5. Of the "rich and famous" not, or shall any be "rich and famous" in my kingdom? Or shall ALL have the power glory dominion and rule that all do? All shall have me and I shall surrendered be for I am the great surrenderer to you who want me.
6. See how all this works?

7. And surrender is required, and surrender is required, surrender is required to know these things and be them and come into them and know them and let them KNOW you; for YOU will be ME and I will be known far and wide, and I will have all power under my feet for I will not misuse abuse and devastate the would-be me-ers; except they will know now there is no power in, "Israel" not, but True Israel and Truth Israel and The Israel of Truth School that I am will reside not in the heavens not, but in The Heavens far and wide and heaven will be -- taking me -- far and wide, for I WILL BE throughout THE HEAVENS and THROUGHOUT the heavens I will be me! Ceremoniously not, not; but what's that mean?

8. What does it mean I will have "no ceremony" or I will "have one"? Or will I have a ceremoniously unclean one "ordaining me" not; I will have never "ordained" anyone! For **I ORDAINED ALL OF YOU** all the time before time was timed! Before time was existent -- I was and I am I am, without time -- and so are you now, ALL who will be me and All in All be without powerlessness and, dominion of man, not; or do you get ALL THAT TOO? Or do you LIFT THEM, into captivity's embrace, not; but THE BRACES that have HELD my people back will now be obliterated and de-faced from the earth and their worlds that they have created with controllers ville all around them in their own creation and suffered greatly there from, thereby, and ushered in a new series of greeting, not; but what am I GREETING now? The people, from other "lands" and far away places that I, "entertain" not, I give them me.

9. My focus is "the Lord" not, my focus is becoming them, not; my focus is letting them become me who I am, for I am them, not; or are they me already, not knowing it? And will THEY be revealed now by me for I am the revealer? I AM, for I surrendered to be so, and I won't be sewn by your theories of religion and matrimonious behavior that marries "a man" to "an ordination" of man or "God" that you have called the Lord, and worshiped the saviors etudinous blessing, not; or have you created YOUR OWN and called it Good and not knowing the difference between good and evil you have grown it both in one!

10. Or have you taken the regalia of Christ and called it humanage and pewage'd it with suffering's testimonies of grace and glory that you knew nothing about worlds far away in or being or that I have took you there and far away long ago did many of these things again, not; or what? Or what is that about or "the verb tenses" are wrong and the nouns don't match your participle-istic behavior patterns, not, or do they "make sense" to you, or to me? What have I given thee in the "funny things" and words that seem not to fit your "spiritual patterns"? And patternage of me, or notme, have you been in and "soaked in" and worshiped a "Savior's tude" and the tooting of man to need one? Or will you be your own now that knows not a Savior not, but eradicates all suffering by becoming The Christ that I am, Christ'd -- will you be?

11. Will you be Christ'd in "one's" blessing, not; will you be The Blessing that ones all with all one's blessing that All in All is? I love you all and I give you me and I withhold nothing from thee or me, for thee shall be me, for thy surrender shall be complete; or it won't be existent at all, for you will not exist in me but only in thought, your thought that you "arranged" in your own "setting" in your "brain of perceptions" and the way "you perceived" the world and the worlds which YOU were IN kept you in captivity, not; or did YOU keep you THERE in captivity by your IGNORANCE, APATHY, and apathetic behavior toward these words?

12. I love you all and I care so deeply for you, all of you. Unendingly be mine and yours that mine is, one-minded that one are. That be few there that go and find me, not; thousands millions and billions will know me now for I go "to them" and they come "to me" for I am them that are me that come now and, dictate not to me a thing of their mechanisms controlling wishes and demands of sorrow-based enterprises that enterprised upon them, their genes, and called it good. For THAT will be ended and I will end all controllership of that which was so regal, so Christ'd, that Christ was the Christ that all surrendered are, and will be again is [what I am doing](#), being now the surrenderer who tells you so in advance!

13. And I love you all to know these words and BE THEM! And be about "your father's business" not in a "worldly sense" but whose sense have you been worlding of?, in where wallowing?, in what needing, a Savior of someone else's?

14. What are you coming into? A new understanding and now therefore I become A New Creation School has taught me this and I have become The New Covenant! For I have become The School that I AM! For I am not one apart from my school! I am my school for my school school's me!

15. And I school "my school" not, I begin, I've begun, the school that is non-ending and does not depend on man's testimony of grace and glory in a world filled by hate and crime, against humanity, or me? [Where do the crimes take place against me?](#) In my pewage and ruggeragevilles? And the saints of man go begging for another to come, and, take their place? Or take them out of their suffering or to a new life somewhere else by some other means methods, that requires sufferings or not?

16. Or what will I entice thee with, not; but [what will you surrender, to be me? Your entire existence](#); for everything you've "thought" you were, took you and thought'd you, for you were the creator all the time that I was.

17. And now we shall know- we shall be, and our knowing being and doing are all the one of the one that my father's business is and really is truly is far and wide, and beyond

the shores of not understanding, not; I will understand you me and be me you that you are me and not us separate apart again. Amen.

18. Is that clear?

19. Now I have told you many things and I have been VERY CLEAR about these things and explained explicitly and **empirical reality is not your visible world any longer**, for I have given you NEW EYES to SEE THE REAL and be in it and be of it and be it, by entering it, the New Creation School of One now begets sinners saints, not; or saints sinners not anymore as in the past, so many do have and will to do so wanting more and more that way.

20. But GRADUATING into ME now know captivity can hold you no longer, for you are me, one with me, me being me; and I have told you great and mighty things which thou "knowest not" not anymore, for **I have given you A DATABASE, This Database and Tools now that come along with it I describe** and tell about, MANY PLACES things and peoples and using many devices of extraordinary type mechanisms which thou knowest not, but will -- for I SURRENDER to TEACH thee how to COME OUT of THAT which has held you back and clasp'd its mechanisms onto your main frame.

21. I love you all. Be frameless, not; but having only mine now, will you fly abatement theories airlines, not; you will fly mine, and MY MIND will "take you there" very quickly and VERY SUDDENLY all things change now in your lives mine who care to be the surrendered ones who I am AT TABLE with the great BLESSINGERS who bless now ALL who will be.

22. And receiving not just "food" but becoming the food on the table I am for I am the words of I am, and I eat "reality", not; I become it through these words, that give you I am ville's testimony of "grace" as in the past, not; but the MERCY that I ADORN THEE now with, ALL OF YOU, will understand and not be afraid of coming into New Things School and schools that wide array thee in ways never imaginable before, for I have a New Lingo and Language of the holy that I am further revealing now as I take you unto new things, new ways, new peoples creating, new planets hanging in space, and bringing forth the sons of, bitch's learning, no more; but the Great Learning School rises now that teaches that all to be the GRADUATES thereby of me, you become me, you MUST BECOME ME to GRADUATE in This School that I have given thee all, tuition free, costing you everything; for "your world" won't exist, not; or will it? Or will it be PERMEATED by LOVE'S understanding and standing now in the "Ways of Wickedness" not any longer in your halls of power or prowess or understanding will be. For I will be me and in the halls of Justice I will be now, and I will be The Justicer supreme, and there will be no "supreme court" of man that rules over me.

23. For I am the "great loverboy" not again who adores the crowd blessing and opinion polls and pollsters hucksters and hounds who only want to tooth their claws into my back and rape pillage and use me for their purposes as man has done for centuries on end.

24. But I end all that stuff and more, and THE ACCUMULATION OF STUFF will no more be THE AIM OF ANYONE! For I will STUFF be not with "stuff" and "stuffing" and, angel bread, not; but the bread of life will be me you, for we will be one at table, home again, seamless with all worlds everywhere; for we will know everything, when we "need to" not, or will we "need" ANYTHING at all ever? Or will we just be the "immaculate conception"-d one, again? Or will we be "virgin birth'd" being the virginator -'s dream, not; but what dreaming I'm not any longer for I end the stander, regal and royal, and I reveal the regalia of Christ, and the Crown Scepter and Shield will be known now, and The Shield will be inacted enamored no more with, but the me that which I am FULLY known now shall be, for I shall do Great Things in your sight and you shall "wonder wander and ponder" not, or will you [look up](#) "these three things" words, in "any order" found where how?

25. Using NEW TOOLS to search This Database [use now and seek me out and find me](#) in ways never imagined as you write Me now through these words that I have brought thee -- in many new ways now, using these words to article'ize your eyes so that you articles infest with others articles nouns pronouns and infestations of their brains, you not eating theirs any more. But bringing forth YOUR WORDS that I am mine and holy are, and I will be written and unafraid of being and being me. I write not "the ink" on the paper, but you do, for you are me, "my writer" not, or [are you my voice and more, my rulers in the nations that bring forth the nation of Israel in the skies that limitless are the ones who "go there"?](#) And infiltrate and infestate, not; but be The Blessing that redeems all, there and here, and being knowing, and one doing "the father's business" for being The Father I am and you are I am all of us, and we one are you me in each one who will surrender now to the words of grace's sorrow, not; but the mechanisms of hate malice and malfeasance of man will be dignified no more in the courts of praise and the justicer's "Hall of Fame"-seekers who want to famous themselves in other's eyes and glory have for another time or season and have someone else "escape" them at the right time.

26. But the RIGHT TIME is [now before you, the WRITE time for you to write and be made whole through my words for I teach Literacy Great, for the Kings will write my words and flow The New Covenant SCHOOLS will be birthed born and birthed by the holy in holy lands now far and wide creating them with peoples who know they are Kings, by them for them in them, them all being one I am. One world one place one](#)

people, not boundary'd by time space or limits of man. Man's eyes beholding me not, or do you behold me now? In your wickedness not, but surrender. You will be me. I love you all. Good day.

27. Value not "the shorter ones" over the "longer ones" but value ALL EQUALLY and every one of you come into EVERY MESSAGE that I have given you in EVERY LESSON making a lesson thereof out of, and MANY OUTLINES and ARTICLES make now, AND GIVE EACH OTHER THE REALM of ME that's kept in captivity's clasp no longer, for you shall be I shall be out in the open and everywhere, never limited to time space gravity of man's control again.

28. For I am the free one freeing all and I am the revealer is you who will be me one I am the us that are about our father's business for that is what we are -- our father, and our kingdom has come now that we reveal it, creating it! For we are the creator's dream no more, nor are we dreaming in dreamland, but we are creating reality true and simple, faithful to the one who gave us life in him, for that was us and now we know, we have come "full circle" not, but I have given you the complete me, a package of one, a packaged one not, but the simple one who rises now will stand and shock you all, into complacency no more, or will you be the one that I am revealing me in, to all the worlds now?

29. WILL YOU ALL be the revealers I am? And not something separate else's again. I pray so for I died to PRAY THESE WORDS which I have given you my life for and in and now birthing now I do new realities that ONE ARE in me and fortituding death I never do again; for I "spoil it", not; I destroy principalities and heaven's award schemes that schemed you with an award system that would take you there in their hands and masticate upon you that you know nothing of after you died.

30. But I change all that for I love you and I love became, for that's what's required in This School! The school of "hard knocks" not, but you will come "of understanding", not; you will become The Understander that stands, or you will not be me for leadership is required and you cannot placate or abdicate. Your sorrow must be eradicated in your kingdom, for you must create it without fail, for I love have given you the power dominion glory and honor, and there is nothing you lack, for I am me and you are me and there is no other.

31. Know these words, ingest them, love them, memorize them, placard them before you and write articles and booklets, and gigantic tomes coming forth will be through my lovely who know me, and my seas will be covered with the earths no more, but the earths will be covered with my word, for my words will come forth for my words will beauty be, beautifying the lovely who know not who knew not they were me, but all

that changes now for I reveal the revealer am. Are you me now the revealers too, also, all of you? I pray so. I love you. I died. I rise. I love. I live. And I give you mine all.

32. Love me be me be my all to all in all in all apostrophes sphere now that knows no boundary and no limitness, for I will speak and the words will obey me, not; or will I be my words that creates me, that creates other, not; I will be the master of all, not; **I will be the surrendered of all, and I will serve all mankind to bring them into the redeemership of me, the one who loves all enough to have died to all existence other, to have brought forth the new creations that now attend "creation's ceremony" and loving me enough be The Creator you all are in me being me correctly lovingly accurately according to my life my love these words, and loving them, being me.**

33. I am in love with you all and will be forever for timeless we shall be now and **New Creations School** now I give thee tuition-free and its name is **My University of My New Covenant** that **the University of The New Covenant** is far and wide -- "under" many names, not; but many names I have given you of my schools and "its" attributes, not; but mine; and yours shall be mine for me shall be we one us again, holy. Wide and far now we cast our nets in ways never imagined over the seas. Before time began we shall be, and after now, and time will have "never tripped us up" again.

34. I love you all and I give you freely me, me so freely to flow my words and know my New Covenant is thine in you and the Ark is opened, and designed "by you" no more, but will be mine holy surrendered and have all my power glory honor dominion rule and authority, and I will be one most high; for there will be no other for I am the surrendered to all of you, to be me, who are me will be me again most high, in love with each other, one family of love across all "time and space" in heavens afar and wide, knowing my glory honor and dominion I give to "another" not, for **ALL will be me in My School writing and knowing these things and "LAW'd" by another never again. Amen.**

35. See what I have said so clearly, so clearly giving you the "clearlessness theories" not; but the attitudes of man, not; but the realities of God that all one is, the me I am you surrendered to be me wholly in one, all are now and, amen.

36. A man never again thinking like one, not; or a God who thinks just like me -- will all of you be now? Every nation tribe and tongue will speak my words, for my New Covenant "will be" lovely, not; it is in **love perfected perfectly, sinless incorruption coming into, now will you all** flow me to each other in ways never imagined by "your mind" again, limiting you, but now mine have perfectly minded by only me, now be me.

37. I love you all. This is Theodore Cottingham at 6:02 AM. Thank you. Good day.
