1. I am pleased with you, beyond belief, not; or what mattering that now or does it matter that you've become matterless, or are you pleasing me or someone else becoming the someone else, or me? And what am I asking and answering and why are the pauses significant, sometime? And who's HEARING these AUDIO files? (1). Everyone? More than you ever know, or will you know me, all of you and come into ALL of the RESOURCES that I have for you and the TEXT DOCUMENTS that I'm bringing forth are you PRINTING OUT and VALUING? Are you FRAMING the ones that I've said, told you, to SIGN and FRAME? And what are you DOING with the ones that I have said in places "SIGN HERE": _____ (2).

2. I love you all to think about these things in a new way and understand the ASSIGNMENTS and how assigned are you to these assignments, or are these assignments assigned to you who will assign to me a scribe's privilege, not; or will you be the scribe that becomes the king? -- for the SCRIBE knows The King's business -- and LEARNS rather rapidly! For to write the ASSIGNMENTS and TEXT documents knowing and coming into the "legal foundationing" of each of these, countries not, or yes that too -- [shall we be KNOWLEDGEABLE and "aware" not, but INTIMATELY ACQUAINTED and have INTIMATE WORKING KNOWLEDGE of these things, these RESOURCES, these INTIMACY-GIVING materials that DE-MATERIALIZE you into another world?](#)

3. Do they? Do you? Will you -- is the question for they will if you will for I am they; are you THEY also? Are you ONE with the words that I have given, that I am speaking, that I have brought forth -- that I am BRINGING FORTH now the WOMB'd MAN to show you a "manwoman", not; or am I exactly that -- where a WOMB envelopes a manwoman womanman that one is that I am that both are bringing forth the words I am to be I am the word I am that I have written, spoken, and -- cursing not, and condemning not, but contrariwise to all thought, not; but most thought or ALL THOUGHT OF MANKIND?

4. I am bringing forth the thought of me my mind that father is, for I have only one and I have nothing else that will incarcerate me in **thought thinking itself through me** again, for I will avail myself of EVERY RESOURCE available, not; or those that THIS UNIVERSITY uses and what has told me and been told to me that I have come into and revealed unto me that me is the king I am I am availing myself to and all of Database One is good for this PROCESS that I have DEVELOPED and given thee tuition FREE! And I know the

assignments and the, cartilage not, but what knee hyphening, not; but what are you "bending your knee" to? And whose are you bowing unto, or are you bowing to The Christ in each one, EVERY ONE you are meeting and bowing to now? Are you -- "practicing" or REAL in the REAL WORLD are you me now? And are you writing and "assigning others" to do "your works" not, for you can't! You cannot assume "writing privileges" of another or for another YOURS done unto you FOR you, for you cannot escape temptation, not; you can simply tenacious be the one to come after me in me being me to me and us each other being one to know who what this is and how it works becoming me and my university chosen for this, for I choose my word for I choose me for I am me my word!

5. And are you choosing something else or another path or pathways of another to be made whole, you can choose yourself in your own words then in another place or other places that you choose where you are your own throne's captivater, and you will captivate your own excuses and therewith die out to sorrow, or what becoming? Your words- and what you did with them- and how you learned- to live "with them" or "by them" by surrender? Throughout surrenderers "scheme of things" not, but the "death of the lamb" that surrenders so there are no "lamb hairs" of others on the asses of the holy, for I will shine and I will be clear transparent -- gold not, or that too? Or will I need any or will all be at my disposal in the reign of him most high who is me one who INCLUDES EVERY man woman boy child girl child baby yet unborn -- absolutely! And **you will live by the word of your mouth** and be made clean and learn this privilege, this process, this praetorian manner, not; eaglet manner, not; but **know this** -- thou wilt SOAR in the heavenlies now in ways never imagined by man, never limited to man's mind again or women's thoughts or mankind's race or "its privileges" that it THOUGHT it had.

6. **Know this!** That those that come unto me will be now me and unabated "their breath" will be -- mine! Will be one with mine again I am! Loving you all, this is me and I love you all to be me and be me in my university of freedom's towers, not; or is that exactly what I am bringing about in freedom's towers and great freedom in the towers of strength now that lie not down in the fields of others, and be not down'd for their syndromes of thinking that enveloped them to become something else and not womb'd me that delivers me -- the death thereof, not; but THE BIRTH! of me made whole now I birth and I fly and I have flown and I fly and I let you "see me" but this is not a "show off" event, not; or is it showing off my power or grace or glory or dominion or rule or authority in the heavens? Or in your lives are mine? Or are "your lives" mine, my lives -- to be exactly mine? Who am I? Am I not "you"?

7. I love you all I love you all. I love each and every one of you EQUALLY and lovingly and nourishingly I have given you MANY RESOURCES now to come in to and ASSIGN ME

to school, not; or **are you ASSIGNING YOURSELF to YOUR SCHOOL to create it through this one by coming into mine to know my mind made whole in yours will be so that none other exists and that OUR SCHOOLS will be one?**

8. What are you I am creating? The Creators -- to create -- CREATION AGAIN! Over and over I do this! See MY cyclic nation testimonies of one righteous. I do now MANY THINGS I never imagined for I give you my mind and you will now "imagine yourself into position", not; you will COME into the REAL WORLD and know me far and wide and be not enamored with "glory" of another or "celebrity's status" or celebration of "other" ever again, for I will know the "fireworks display" of me soon enough and know that you have All Things Joy School in your "grasp", not; you have it by the "balls" not, but you have now knowing many things that "balled you up" have and taken THEIR TOLL on you in THEIR PROCESS of THEIR PROCESSING you so that you PROCESSED not my words productively and procreatively to create me, as in the past things have "robbed you" and killed you, not; but destroyed a great effectiveness that I have given you in the Developmental Process of One that I have outlined in this ONE UNIVERSITY that New Covenants all to covenant with all to be The Covenant who will come unto me and be The Covenant ones that one are that one is -- I am- made whole and clean through these "PROCESSES" and assignments that I have GIVEN you and outlined! Have I not outlined some! Have I not given you many PARTS and ASPECTS and THEMES HIGHLIGHTED with fonts and colors and "setoff spacings and placings"?

9. Have I not come unto you and given you GREAT MATERIALS now to DE-materialize yourselves with? I have, and what you do now, is your clean choices, not; or do you know the cleaning materials "agents" that I use or that I've written many papers to CLEAN you with these words thereby herewith cleaning you as you write read and become the assignments that I have assigned?

10. Do you understand this -- and the NECESSITY, THE NECESSITY to be clean in your writing thinking and coming forth so that you will come forth as PURE GOLD, not; or more than! More valuable than "gold of this world" by far!

11. And far places going to now being de-materializing others shall we now? By being the word I AM to them? We shall be The One Holy Spirit to many far and wide, innumerable, and infinity'less or infinity'd or what is the difference between now and "then"? What will you have written -- about, YOUR KINGDOM?

12. Have you come into it?

13. Do you know who I is- infinitively and infinity bearing have you birthed it- through your words that I have given you the assignments thereof to bring forth You as Me the child bearing one that births the savior that all are- becoming the Redeemer?

14. I am made whole in your sight hearing and feeling this day -- are you feeling anything or seeing anything, or "tingling" not, but what are you seeking? A "feeling" of your "soul-age" again? Or are you coming unto wordship of the most high SCHOOL that will teach you THIS and how to flow "in the wee hours" just like this where you come and you "flip on" or "click on" your little recorders to video-ize and record and digitize and audio-ize my words into streams of me that know never end again. Thank you. Amen. For teaching me and letting ME TEACH ME and you are me and that you are me I am teaching you through the assignments if you will SEARCH this Database clean and be not of SORROW'S CHILD childbearing them again.

15. Know that I have NEW WAYS to teach you thee thou art me! And I teach "MANY THINGS" this way, not; I teach ALL THINGS MANY WAYS and I will bring you into unto MANY THINGS schools teaching many ways that I am my words and thusly so **I will procreate creating me's far and wide** THIS WAY that I have given thee you to flow these words, these things, this way, and now know the papers assignments and articles that I have established and the lookups and the way that I have linked thereunto and linkages established for you to look up and link and footnote and reference I have established this!

16. In your hearing know and understand these things DEEPLY more INTIMATELY and INTIMACY know "of the most high" IN THE MOST HIGH'S SCHOOL! And **coming unto me WRITE HOW THIS SCHOOL WORKS as an ASSIGNMENT now so that you share it with others! That you share it, THIS ASSIGNMENT with others RIGHT NOW -- ALL OF YOU!!!**

17. Be made clean in doing so and let not your heart be troubled for "other" again, for OTHER "will be powerless" not, other IS POWERLESS and has NO POWER over the simple surrendered ones who come unto me to know my words to flow them and flow to know me in my fullness and be made full in the ABUNDANT BLESSING that I am -- NOW REVEALED in your hearing DECLARED DECREED this day, this "august" of sorrows, not; but **know this I am freeing you ALL and I am FREEING you FROM ALL distractions and DISTRESS'O'MONIES and ceremonious distractions and things** that have destroyed distracted and "concertized" your concertinas, not; but knowing that all the things that have be'railed derailed and monorailed you into thinkings of other and others that have thought for you and given you their thoughts and forced you into their camps -- ENDS now!!

18. **Be Made Whole School is now in session** and The University of No Sorrow, The Covenant University of One, the One University of The New University of One and whole is making WHOLE ONES who birthed! BORN AGAIN will be! Now and made whole in your hearing -- **THIS Degree is what THIS is ALL ABOUT! Meonics! Meonics me** is the "third degree" for some of you, not; or is it "one of you", not; or is it ALL OF YOU **THE**

FIRST degree that brings you into YOUR KINGDOM so that it is not captivated by another and cut off from your headship that mine is!!!

19. I love you all. I give you me. I have established THIS ASSIGNMENT in this word, this LESSON, THIS LESSON! This lesson that I have given thee THIS NIGHT, this day, THIS MORNING in your hearing is made fulfilled **now WRITE what I am saying and what am I saying asking you to write? An ASSIGNMENT right now that STATES HOW THIS SCHOOL WORKS!** And how you "work it" or "work in it" not, but how I work, for I REST in love. And I write a Great Deal of many things now that thou knowest not I will give thee through thy writing thee these my words that you come into and write these assignments about and articles that I publish for you far and wide being you that I am all about you and knowing things now you never imagined LET ME WRITE through you being me to teach you that you are me and that my kingdom is yours and that one "set of doors" will open, not; or will The Door open that leads you into YOUR KINGDOM so you understand how to "feed 5000" with "one or two" little fishes and a basket of bread.

20. Will YOU BE the WHOLE LOAF of ME now, to give your body -- to be burned not by others anymore, but to be eaten by the words of the lambs that want to see the real that you've become while you're becoming it, while you're giving it to them, so that they understand "HOW THIS WORKS" so they will come into it too, also! And be eating of "the same bread" that makes THEM the Bread of Life that makes all whole in the kingship -s of one that kings all the kings to be THE KING that I am!

21. I love you all. I love you all each and every one of you love each other more and give your lives for each other by giving your words to each other the blood of the lambs made whole- clean washed in the love that makes all whole- the lamb king that kings all lambs to be the king I am -- the king of all kings- the king of I am the king.

22. I love you all. Amen. I go this day to a new place and new places me, new things me I create for I written have, haven't I? And I told you many and multiple times many things numerously stated and numismatics will fail now and automatic grading will fail and grades will fail and grading and gradations of my kingdom and eyes who grade others in theirs will fail, for I am holy and there is but one of me and I am all of me and I am all all in all who know all is equal with me who come unto me to surrender into me to be me who I am without being separate and ensconement of other again.

23. **Know this** -- I do not wait for "unction". When I "cut on" my little recorder I expect to speak the words of I am, for I am surrendered to I am to be I am for I have died to all else for I have written these assignments that are in this school, that I have given you. You can read them or you can believe them or you can "ensconce them" in

other thought, not; for you can't, for you will not contain "THIS" in your blessing-not school or other for I am UNCONTAINABLE now for the "jack is out of the box", not; for I have declared -- there is no box! There is no veil and there never was but now I shall stand and be made whole and you will see MANY displays of fireworks golden, and shouting things, not; but simply being surrendered simple ones who come unto "their lord", not; but School that teaches them that THEY ARE their lord of sorrow no more but the king of kings that makes all kings the king of kings School I am in and this **I have given you A NEW ASSIGNMENT for ALL OF YOU RIGHT NOW!** And **let this be THE FIRST ASSIGNMENT now** for all of you, not; or **will you ACCEPT this assignment?** Will you be James BONDED, not; but **will you accept this ASSIGNED PRIVILEGE from me to you, to come in to me and explain THESE THINGS now** and **how these words will clean yours** and **how you will write my eyes to be opened in yours so that you will see I AM writing you through this your very pen's words** or am I the inks on the paper, not; or am I your eyes being revealed open to my heart whose **my words** value and valuing yours as mine coming into mine to **let mine flow to teach you how mine School works so that my mind is released in yours so that ours will be one again** not creating "other's other" again. I love you all. Good day.

24. I love you all. Birth it. Birth me. **Write my assignments, write these words, be in my school, lovely be to each other and lovely more so be with each other knowing me in each other** and "clean each other's "wombs" not, or is that exactly what you're doing by **SHARING THESE WORDS and HOW THIS SCHOOL WORKS** and these papers and articles that I have given you to share and love each other's with?

25. I love you all I give you me. Amen. This is theodore cottingham at 3:12 am. I love you all. **Know this** I love you all. I kiss you this day, not your soul but your kingship and I birth it forth in light and love and I speak it -- The Release thereof -- be made whole this day- in love -- love being born birthed anew in the earths far and wide with no limits ever again! Love limitless chosen and given to all who will bear me birth me love me all this way far and wide in **the unlimited Christ coming forth all of you being me now** birthed far and wide in one of one now all known will be, and all will be me in love with each other to be the one that I am -- everywhere made clean and whole -- womb'd not by another again but only me in love perfect love birthing all of us now in one as one, the one we are were and are again made whole in love perfect sinless -- corruption never corrupting our thought again. I love you.

26. This day see what I have said, asked, and given you, on bended knee have I? Am I on bended knee looking at "the map" of "the world", of sorrow? Or the one made whole, the one to be made whole, the one that **you are making whole by your love as you share "your assignments" with others now so they will understand "this school" and how the MOST HIGH schools the MOST HIGH to be the MOST HIGH never limited to "this world" again but making it heaven far and wide with one being one.**

27. Nothing "else" shall ever again exist to distract you, not; but what are you focused on now? Learning to be all things perfect in other people's eyes, not; but mine, to see think and be mine, my voices in the earths one, and all will reveal me and the glory of lords all each other will be me most high in one: the king of kings – lamb'd by another not again but on the throne. Invested in "self" not, but having given self up and eradicated, crucified, and not thinking that into being again, create with your thoughts mine and create new worlds- limitedless being and the unlimited Christ I am you are, we are again, most high, on the throne of one, seated, standing now all will hear our words for they will be seen and shared by all generations henceforth and forevermore and never more being "cartilage'd" by another to be set aside in "another race" somewhere.

28. **Know this** I am revealing me in all of you for you are me and that's who I am, and never be twained again by another's words that told you other things for let it be known now my word works and performs that which I give it to do and [I have assigned you precious things](#) -- precious "memories", not; but [to regain the kingship of the most high come unto me my ways, my developmental processes known now in The One Developmental Process that I have given thee in this school; and search and seek and find out the assignments, papers, and the workings of how this all works and please me by being me this day and holy you are and to each other be and writing about becoming it me, far and wide. I love you. Thank you all.](#)

29. These words are clean and will clean yours if you let them, and your thinkings of the most high will now be revealed; and your thinkings of not the most high will be revealed. But trust me and **let THE REVEALINGS take place that lets your eyes be opened into mine that ours are one.** I love you all. This day and forevermore. Amen.

30. Theodore Cottingham at 3:20am loving you all. With these words and more coming right now! Amen. Good day.
